A fine evening and the chance of free food which we had already paid for in the donations some people give each week, accumulated the largest group of the year, a total of approx 65 people. I am told that this week contribution cash was £ 46.80, 18 people did not pay but presumably enjoyed the BBQ!

So off we went through back streets and alleys in the Beeches, (do not do this on your own) then into the very new houses opposite Tesco. You can buy a 4 bed house with five bathroom for £ 400,000. Of course our Gorn being a rather posh Gorn of good breeding, and a pillar of society had a road named after him " Bennett Walk" where we had our regroup. You know you at the top when you have a road named after you. One unnamed hasher was heard to say its what you do after you take your car to be repaired at Bennetts Garage.

Off we went through Siddington Road to the Chesterton underpast to find another of our prominent wags had a social housing apartment block named after him : Gibson Court : what did he have to pay to organize that? We then crossed City Bank to arrive at The Vaults at about 8.15.

We all packed into the small bar under ground ,the only beer soon run out, but there were about 20 fussy Keg Beers and largers, but luckily a polypin was found and it was placed on the floor , behind the beer, out of sight.

Now perhaps I am getting old, but why did the boy behind the bar say to me "you all right", did he mean " Can I get you a drink sir" or did he really want to know my medical condition. Please advise.

A great evening and a good trail around town. Thanks Tim. I awarded the new sheeps hat to Maggie never seen her ware it, and she acrossed a bar.

Lastly I am sure we would all like to congratulate Mark who has just completed the Chamonais 100mile run in 37hrs 37mins. Yes one hundred miles. Amazing. Well done Mark.
